In 2008 PARMA Recordings acquired Capstone Records, the highly respected New York-based classical label founded by composer Richard Brooks in 1986, with the intent of shepherding the company and its music into the digital era. This product, originally released on Capstone and now presented by PARMA's Ravello Records imprint, is one of a series of re-releases from the catalog called THE CAPSTONE COLLECTION. For more music in this series, please visit www.ravellorerecords.com.
