Concerto in A minor for Flute, RV440

Jennifer Stinton (flute)

Concertgebouw Chamber Orchestra

Harry Christophers

alto

“Jennifer Stinton plays a modern flute bringing exuberance matched by technical agility....admirably partnered by the strings (She) is not short of ideas where ornamentation is concerned....an attractive playfulness in interpretations serves the simple charm of the music very well..... Stinton adds a further flute concerto (RV440), whose first two movements afford pleasing examples of his expressive writing for the flute. In summary: this is fresh and lively music-making (and) is clearly recorded” (Gramophone)
