Tom McCaslin has performed with the Auckland Philharmonia, Minnesota Orchestra, Detroit Symphony, and Boston Symphony Orchestra. He has presented recitals in the U.S.A., Canada, Switzerland, and Australia. The legendary tuba virtuoso Roger Bobo has called him "a great tubist" and has written that "the repertoire on this CD is the most interesting that there's been in a very long time. The CD is a winner. I predict it will be a big seller."
