*"Because of his ability to produce beautiful sounds and the unabashedly melodic character of his work, his music possesses instant appeal."* –  
New York Times

*"This is what music should be."* –  
American Record Guide

*"These collections of music by the prolific...Alan Hovhaness should be welcome discoveries. There is nothing else quite like it, and most of his work shows a deeply serious religious and mystical impulse. All the performances are excellent."* – Stereo Review
