

GIRLS GOTTA DANCE!

Rhythms to excite the muscles

Symmetry to stimulate the brain

Melodies to delight the heart

Girls love to dance, hop, skip, run, jump, swing, sway... Here are exhilarating performances of the best **CLASSICAL MUSIC** to accompany such activities. For girls, this CD can match their energy and imagination; for the adults in their lives, it can serve as a caffeine substitute or mood enhancer. The program begins in symphonic splendor and progresses to dazzling individual virtuosity, so that the second part of the CD can be used closer to bedtime or for the very youngest ears.

"These selections are the best from the best. Familiar melodies from familiar works. Unlike some television offerings, this music is played by some of the finest performers in the world." Copley News Service
