 BBC Concert Orchestra
 conducted by Vernon Handley
 BBC Broadcast 18 December 1975

In 1952 Richard Itter, the founder of Lyrita, began to make domestic recordings of BBC transmissions using state-of-the-art disc and tape recorders. He documented his collection but rarely listened to it, thus preserving a pristine archive. The Lyrita Recorded Edition Trust began a transfer programme in 2014 with the intention to release the best and rarest of these recordings to the public.
