This special set brings together three of Shakespeare's best-loved comedies, from the hilarious tale of misdirection and deception that is *Twelfth Night* to the slapstick humour of *The Taming of Shrew* and the magic and mischief that jointly characterise *A Midsummer Night's Dream*. Brimming with first-class British acting – including stand-out performances from such lauded individuals as Michelle Terry, Samantha Spiro, Mark Rylance and Stephen Fry – this trio of award-winning Globe Theatre productions brilliantly underscores the humour that is inherent in each of the three Elizabethan dramas, with inventive staging, outstanding costumes and original music performed on period-style instruments providing the finishing touches to a must-have collection.

Spoken in Shakespeare's English with subtitles in English, German and French (*A Midsummer Night's Dream*)
