THE COMEDY OF ERRORS

Based on a farce by the Roman playwright Plautus, *The Comedy of Errors* is the Bard's most madcap comedy – a work full of slapstick humour and rich characterisation that centres around two sets of identical twins accidentally separated at birth. Featuring Renaissance costumes as well as contemporaneous staging, Blanche McIntyre's debut Globe production 'sparkles with wit and invention' (*WhatsOnStage*), with standout performances from Matthew Needham, 'who brings a compelling fluency' to the role of Antipholus of Ephesus; Simon Harrison as his bewildered brother, and Hattie Ladbury, who 'elegantly articulates the lofty ideals and passions of his wife Adriana' (*Evening Standard*).
