# LULU

ALBAN BERG (1885-1935)

Berg's masterful and thought-provoking opera tells the gripping story of the rise and fall of an alluring, destructive but vulnerable woman, culminating in her death at the hands of Jack the Ripper. Christof Loy's austere, minimalist production allows the complexities of the drama to unfold through the sumptuous, taut beauty of the score. Agneta Eichenholz and Michael Volle lead an all-star cast under Antonio Pappano. Recorded in High Definition and true surround sound.

Sung in German with subtitles in English, French, German and Spanish.
